3 Seminars on Daily Life in Japan

Open to all Japanese Major/Minors and Students!

Come have fun and food while learning about everyday life in Japan! Join one or all of these informal seminars, where we will read signs, posters, flyers, and other cultural materials to gain a deeper understanding of contemporary Japanese culture, proper customs, and useful words and phrases. It will be a great chance to improve your reading of katakana and kanji and make friends with fellow Japanese students.
