Dear Graduates, Parents, Relatives, and Friends,

On behalf of the School of Languages, Literatures, and Cultures, I welcome you to this milestone event. My colleagues and I look forward every semester to honoring the achievements of our graduates, and to conferring the degrees that their talents and tenacity have earned them. We have been entrusted with the intellectual care and development of these young scholars, and we feel a special bond with them – both intellectual and personal. We salute their commitment to fostering understanding of cultures other than their own and, in some cases, to deepening their understanding of their own heritage.

Graduates, we wish you all success as you move forward into the next phase of your lives. I invite you to stay in touch with your professors and mentors and especially to share with us news of your future achievements. I speak for all the faculty and staff of the School of Languages, Literatures, and Cultures in offering my congratulations to you and to those who have supported you throughout the years of your study. Do come back and bring us your stories.
